3. **C.** Room Picks
 1. **1.** Room picks will be based on seniority. Overall the member with the most seniority will get the first room pick, and the second highest will get second, and so on and so forth. Seniority will be decided as follows:
 1. **i.** For members already living in the house, seniority is determined by the members' move-in dates.
 2. **ii.** For new members moving in, seniority is determined by their contract signing date.
 3. **iii.** If seniority between multiple members is the same, then an impartial manner (such as drawing straws, flipping a coin, or rolling dice) will determine who has higher seniority for those individuals.
 2. **2.** When room picks are done:
 1. **i.** For fall/spring semesters, room picks are done by the end of the preceding spring semester. Room picks are set until May, however if a room becomes empty, that room will be available for any member to move into based on seniority.

3. **3.** Occupancy of Picked Room

1. **i.** Members occupying a room have the right to not be kicked out of the room they currently inhabit.

4. **4.** Votes on prospective members may not be made while they are present in the house.

6. **F.** Bower Parking

1. **1.** Parking seniority in the Bower parking lot (and other spaces guaranteed to the house by the SHC) will be determined by two factors: whether a member has a vehicle upon their move-in (or renewed contract start) date, and their signing date. Members who will have a specific vehicle by the time of said move-in/renewed contract start dates will have the priority to access parking for the remainder of their contract, but if there are more members with vehicles, then access will be based on the earliest signing date.
 1. **i.** Exception: If a member has physical limitations or needs to have a vehicle in the lot for their personal health and/or safety, then such members will have top seniority for a parking spot in the Bower parking lot.
 2. **ii.** Exception: If a member has possession of a vehicle that is not with them physically or has a proof of a definitive plan to own a specific vehicle within three months of their contract start date, they can request to have a parking spot held in the lot up until the end of the third month. If by then they do not have said vehicle they will revoke their parking spot. During the period that this spot is empty, members next in line of seniority may use this spot until the original member has their vehicle.
 3. **iii.** If there are any extenuating circumstances, additional accommodations can be made.
 4. **iv.** Exception: If two members are fighting over parking spots they will drag race in drag. An arbitrary third party will act as referee for a race that spans across the Bower/Haven House lots.
2. **2.** Guests may use the Bower parking lot to park their vehicle if at the time there are more parking spots than members with vehicles. Otherwise, guests must find a different spot to park their vehicle(s).
3. **3.** Assigned parking spots (a specific physical area for a specific person’s vehicle) are determined by current members, yet members do not need to assign spots if they decide this as a house.
