

MILES CO-OP CONSTITUTION

Article 1 MEMBERSHIP

1. 1. Any person who agrees to fulfill the conditions of the House contract shall be eligible for membership. No person shall be denied membership on the grounds of race, creed, gender, or sexual preference.
1. 2. No one may live in Miles Co-op without first signing a valid contract, except temporary guests of members who abide by the Guest Policy as outlined in this document.
1. 3. Prospective members shall become members upon full payment of their dues and loans and signing a membership agreement. Members must also become members of the MSU-SHC and obey its policies and by-laws.
1. 4. Due to the small nature of the house, and in an attempt to avoid alienation within the house, house membership is restricted among people who already know each other. Only two people who have previously lived together or have any sort of relationship may move into the house. In the case of a third person, the current house must vote on whether or not to approve that third person. Four or more people who have any sort of previous relationship may not all move in together.
1. 5. A member is considered to be in good standing with the house as long as they are less than 15 days behind in their rent.

An account shall be considered closed when all costs are paid, including fines, rent, room damages, phone bills and the member's room and/or House keys have been returned. A \$5.00 fee will be charged for each key not returned. Any outstanding debts will be substituted from the house loan.
1. 2. Members are required to sign full MSU school year contracts. Members who join after the beginning of the school year will pay the complete membership fee and loan, but other charges will be made proportional to the amount of time left in the school year.
1. 3. A member desiring to leave Miles Co-op at any time during the terms of the member's contract shall give prior notice of his or her intent to leave to the membership officer and must sign a release of contract form at SHC. At the time the notice is given that person's room is open for reassignment. The leaving member is responsible for filling the vacancy that has been created. All debts incurred by the house in finding a replacement for the leaving member shall be charged to the member's account. The leaving member will be held liable for room charges from the time the vacancy is created until a replacement is found, or until the end of the leaving member's contract, whichever comes first.
1. 4. If two or more residents leave the house during or at the end of the same term and suitable replacements are not found by the leaving residents individually, then all debts incurred by the house in finding replacements, including room charges, shall be divided between the two or more leaving members.

Article 4 FINANCES

1. 1. Each member shall be assessed a proportional amount of house expenses each term. Members sharing a room will be charged 1/2 the SHC assessment + the proportional amount for house expenses. The charges assessed to each member for each term shall be paid in three installments on the 15th of each month during the term. Failure to make such a payment or make arrangements with the treasure by the 20th of any month will result in a \$10.00 fine.

Once a budget has been passed by the membership, that budget shall be the guideline for the spending policy. An existing budget may be amended by a majority vote at a house meeting. If there is a surplus at the end of the term, then each member's account is to be credited a proportional amount of that surplus. If there is a budget deficit at the end of the term, then each member's account will be charged a proportional amount of the deficit.
1. 3. If a member owes more than 15 days rent, a promissory note shall be made with the member. 1. 4. In the event that the inability to raise quorum has impaired the House's ability to transact business, a special House meeting may be called given one week's notice and posting of the agenda. Every effort should be made to pick a time that is amenable to most members. If quorum is not reached through these efforts, then a majority vote of those voting members present will be sufficient to pass motions. Motions passed at a special House meeting may be overturned by a simple majority at subsequent House meetings where quorum is reached, in order to avoid abuse of special meeting voting rules.
