MISSION STATEMENT

We are Phoenix Haus! The mission we strive to embody is to create a cooperative intentional community that provides a culture ensuring living and learning to uphold the ideals of Justice, Equity, Diversity and Inclusion. The members of this house along with the property of the house will serve as a space that prioritizes the needs of those from marginalized experiences within the Spartan Housing Cooperative along with opening up the cooperative framework to people outside of our organization from marginalized backgrounds.

GOVERNANCE

The House is governed under this constitution. The House is empowered to make day to day decisions and policies as long as they do not conflict with this constitution. At the same time, the house is encouraged to keep this constitution modern, and in keeping with the values of the house and its ever-changing members. This constitution can always be altered upon a discussion, and a quorum vote in favor of the change(s). This constitution must also be in keeping with The Spartan Housing Cooperative of Operations, By-laws, and/or decisions of the SHC Board of Directors. Decisions will be made by majority vote at House meetings as defined in this Constitution..

ARTICLE I: MEMBERSHIP CONDITIONS

1. **Section 1.1** Prospective members shall become members upon full payment of their house dues and loans, signing a membership agreement and establishment of residence within the House, IN THAT ORDER. Members must also become members of the Spartan Housing Cooperative and obey its policies and by-laws. All of these conditions must be completed before membership is valid.
1. **Section 1.2** Any person who agrees to fulfill the conditions of the House contract shall be eligible for membership. No person shall be denied membership on the grounds of race, creed, sex, gender identity or expression, sexual orientation, marital status, student status, age, height, weight, ability status, use of adaptive devices, legal source of income, or political preference.
1. **Section 1.3** Members are required to sign contracts that coincide with the Spartan Housing Cooperative contract dates, unless otherwise approved by the house and the SHC Board of Directors. All members who join after the beginning of the contract date will pay the complete membership fee and shares, but other charges will be made proportional to the amount of time left in the contract year. Members leaving before their contract expires are financially obligated to pay the monthly member assessment and the advertising costs to fill their position. This obligation does not expire until a replacement signs a contract. Alternatively, a member may “buy out” of their housing contract by paying 3 full months of charges in advance of their move out.
1. **Section 1.4** Members who pay their house dues will be considered ‘members for life’, but only current residents under contract will be considered ‘current members’ and allowed to vote on all matters.
1. **Section 1.5** Members that hold a current contract with the Spartan Housing Cooperative who forfeit their voting rights and ability to use utilities and house food/supplies are considered “inactive members” and are not used to determine quorum.
 1. **Section 1.5.1** Members can only be put in inactive status by a 2/3rd majority vote.
 2. **Section 1.5.2** Inactive members are not obligated to pay house charges.

ARTICLE II: MEMBER RESPONSIBILITIES & DUTIES

 3. Promptly pay charges;
 4. Attend all House meetings;

5. 5. Make proper use of House facilities; do not abuse;
6. 6. Actively participate in physical upkeep of the house; (i.e: preventative maintenance, avoid neglectful cleaning habits)
7. 7. Obey and convey all norms, rules and policies that Phoenix Haus sets;
8. 8. Abide by the Roommate Bill of Rights as follows:
 1. a. Each roommate has the right to privacy and equal use of the room.
 2. b. Each roommate must try to respect the other's desires regarding lights, noise, and room use in general.
 3. c. A roommate must obtain explicit permission from their roommate to have an overnight guest in the room each day they have such a guest.
 4. d. All doubles are considered non-smoking rooms, unless both roommates agree to smoke.
 5. e. All pets must be approved by both housemates. (see: article XIV pet policy)

1. **Section 2.2** Attendance at house meetings is mandatory. Members may be excused from House meetings by submitting written or verbal notice to the Education Officer. Authority is given to the Education Officer to approve or dismiss excuses. Each unapproved excuse shall be considered an unexcused absence. For unexcused absence, members will act in accordance to the process laid out in Section 10.8. If missing meetings becomes a recurring problem, the Board Representative will reach out to the housemate.

1. **Section 2.2.1** If a member accumulates TWO unexcused absences in one term, there would start a house conflict resolution process with the Board Representative acting on behalf of the house. Should a third or more unexcused absences occur an official grievance with the SHC will be filed by the Board Representative on behalf of the house and may result in expulsion of the member.

1. **Section 2.3** Members are required to perform an amount of chore points determined in Appendix A of work duty. Each member must also complete a designated amount of general house improvement during each of Phoenix House's Work Weeks (See Job Policy and Appendix A) and any house improvement work (including preventive maintenance) assigned by the Facilities Officer. Work duties and general improvement are required as part of the member's contract in keeping with the cooperative principle of keeping costs down by substituting labor for capital.

1. **Section 2.4** If a house member wishes to prematurely break their membership contract, it is the member's responsibility to find a replacement. Financial responsibility will end on the date the replacing member contractually begins their contract.
 1. Any 'potential' new member must meet all Phoenix Haus membership conditions. In the case of a double room vacancy the 'potential' new member must be OK'd by the remaining roommate. Any objections must be submitted to the Membership Officer.
 2. Another route to prematurely breaking a membership contract is to sign an early release form, and pay three full months of charges to the SHC.

SPECIAL NOTE: If a person breaks their contract they may have to fill a space in another room due to seniority-based room selection.

If quorum is not reached through these efforts, then a 2/3 majority vote of those voting members present will be sufficient to pass motions. Motions passed at an Emergency House Meeting may be overturned by a simple majority at subsequent Regular House Meetings where quorum is reached, in order to avoid abuse of special meeting voting rules.
1. **Section 3.6** The first meeting will be held the first weekend after move in.
1. **Section 3.7** The interim coordinator, required by the SHC and voted in by the house, shall facilitate the first house meeting.

 2. **2.** (2) "Spring" (Jan - May)
 3. **3.** (1) "Summer" (June - August)
 4. If a member moves in over halfway into a section, they will be awarded ½ of the points for that section. If a member moves in after a section has started, but before the halfway point of that section, they will receive full points. A member will still receive seniority points as long as they are paying for a contract, even if they are not physically living in the house for that period.
 3. **C.** Seniority will be determined by the following:
 1. **a.** Signing contracts by Phoenix Deadline
 2. **b.** Accumulated terms at Phoenix (paying charges while not in the house counts as a full term, getting a replacement to take your contract means you miss out on the semester's seniority points)
 3. **c.** Date and time of FIRST contract to Phoenix
 4. **d.** Date and time of resigning current contract to Phoenix
 5. NOTE: If a member has not resided in Phoenix for more than one semester consecutively then the member's seniority will be determined by accumulated semester points and the signing date and time of the contract in question-NOT just the first contract.
1. **Section 6.2** The signing deadline for Fall will be one week before room picks are done.
1. **Section 6.3** If a current member does not sign their contract by the Phoenix deadline, the member will be "bumped" behind those current members that do sign by the deadline, regardless of accumulated points. A member that misses a deadline will be at the bottom of the seniority list for that particular contract period only. Seniority will be re-tabulated at the next contract and members will be readjusted.
2. If a member misses the signing deadline, they will keep their seniority points and re-enter seniority list with their accumulated points when they re-sign. However, rooms cannot be

reassigned after the room-pick party. A member cannot pick a room without having already signed a Phoenix contract for the upcoming contract period. Seniority points should be re-tabulated after each term of the Phoenix calendar year

Due to more room availability in the summer, members may move around to newly assigned rooms. However, summer members must switch rooms in the fall according to previously determined fall room picks.
1. **Section 6.8** A member receiving a NASCO internship or participating in AMERICORPS during the summer semester or a member who is chosen to be a model co-oper in an SHC house will be able to use this as a Phoenix House living credit because cooperation among cooperatives is encouraged.
1. **Section 6.9** If two persons lay claim to a double they previously shared, the person with higher seniority remains in the double.
1. **Section 6.10** A member in a double will be given every opportunity to choose their roommate without regards to seniority.
