

PHOENIX HAUS CONSTITUTION

MISSION STATEMENT

The mission of Phoenix Haus is to create a cooperative intentional living community built on equality, consent, wellbeing, and accountability of its members for the benefit and sustainability of the haus, and the student housing cooperative as a whole.

GOVERNANCE

The House is governed under this constitution. The House is empowered to make day to day decisions and policies as long as they do not conflict with this constitution. At the same time, the house is encouraged to keep this constitution modern, and in keeping with the values of the house and its ever-changing members. This constitution can always be altered upon a discussion, and a quorum vote in favor of the change(s). This constitution must also be in keeping with The Student Housing Corporation Code of Operations, By-laws, and/or decisions of the SHC Board of Directors. Decisions will be made by majority vote at House meetings as defined in this Constitution.

ARTICLE I: MEMBERSHIP CONDITIONS

1. **Section 1.1** Prospective members shall become members upon full payment of their house dues and loans, signing a membership agreement and establishment of residence within the House, IN THAT ORDER. Members must also become members of the Student Housing Corporation and obey its policies and by-laws. All of these conditions must be completed before membership is valid.
1. **Section 1.2** Any person who agrees to fulfill the conditions of the House contract shall be eligible for membership. No person shall be denied membership on the grounds of race, creed, sex, gender, sexual orientation, marital status, age, ability status, or political preference.
1. **Section 1.3** Members are required to sign contracts that coincide with the Student Housing Corporation contract dates, unless otherwise approved by the house and the SHC Board of Directors. All members who join after the beginning of the contract date will pay the complete membership fee and shares, but other charges will be made proportional to the amount of time left in the contract year. Members leaving before their contract expires are financially obligated to pay the monthly member assessment and the advertising costs to fill their position. This obligation does not expire until a replacement signs a contract. Alternatively, a member may “buy out” of their housing contract by paying 3 full months of charges in advance of their move out.

1. **Section 1.4** Members who pay their house dues will be considered 'members for life', but only current residents under contract will be considered 'current members' and allowed to vote on all matters.

ARTICLE II: MEMBER RESPONSIBILITIES & DUTIES

1. **Section 2.1** Members are required to:
 1. Read, Understand and promote the Phoenix House constitution and norms;
 2. Take an active part in the operation of Phoenix House;

 4. Attend all House meetings;
 5. Make proper use of House facilities; do not abuse;
 6. Actively participate in physical upkeep of the house;
 7. Obey and convey all norms, rules and policies that Phoenix House sets;
 8. Abide by the Roommate Bill of Rights as follows:
 1. a. Each roommate has the right to privacy and equal use of the room.
 2. b. Each roommate must try to respect the other's desires regarding lights, noise, and room use in general.
 3. c. A roommate must obtain explicit permission from their roommate to have an overnight guest in the room each day they have such a guest.
 4. d. All doubles are considered non-smoking rooms, unless both roommates agree to smoke.
 5. e. All pets must be approved by both housemates. (see: article XIV pet policy)
1. **Section 2.2** Attendance at house meetings is mandatory. Members may be excused from House meetings by submitting written or verbal notice to the Education Officer. Authority is given to the Education Coordinator to approve or dismiss excuses. Each unapproved excuse shall be considered an unexcused absence. For each unexcused absence, members will be charged a fine of \$5. If missing meetings becomes a recurring problem, the Membership Coordinator will reach out to the housemate.
 1. **Section 2.2.1** Any unexcused absence from a Regular House Meeting calls for a House vote on expulsion proceedings. The member may be expelled by a majority vote of total current membership. If a member misses a third meeting in a contract period without an excuse, the necessary vote for expulsion will drop from majority vote to 1/3 vote of total current membership. The House Treasurer shall be responsible for immediately taking steps to evict expelled members.
1. **Section 2.3** Members are required to perform a minimum of 4 weekly credit points of work duty. Each member must also complete a designated amount of general house improvement during each of Phoenix House's Work Weeks (See Article VII XI). Work duties and general improvement are required as part of the member's contract in keeping with the cooperative principle of keeping costs down by substituting labor for capital.
1. **Section 2.4** If a house member wishes to prematurely break their membership contract, it is the member's responsibility to find a replacement. Financial responsibility will end on the date the replacing member contractually begins their lease. Any 'potential' new member must meet all Phoenix House membership conditions. In the case of a double room vacancy the 'potential' new member must be OK'd by the remaining roommate. Any objections must be submitted to the Membership Coordinator. Another route to prematurely breaking a membership contract is to sign an early release form, and pay three full months of charges to the SHC. **SPECIAL NOTE:**

If a person breaks their contract they may have to fill a space in another room due to seniority-based room selection.

If quorum is not reached through these efforts, then a 2/3 majority vote of those voting members present will be sufficient to pass motions. If a member moves in after a section has started, but before the halfway point of that section, they will receive full points. A member will still receive seniority points as long as they are paying for a contract, even if they are not physically living in the house for that period.
 3. **C.** Seniority will be determined by the following:
 1. **a.** Signing contracts by Phoenix Deadline
 2. **b.** Accumulated terms at Phoenix (paying charges while not in the house counts as a full term, getting a replacement to take your contract means you miss out on the semester's seniority points)
 3. **c.** Date and time of FIRST contract to Phoenix
 4. NOTE: If a member has not resided in Phoenix for more than one semester consecutively then the member's seniority will be determined by accumulated semester points and the signing date and time of the contract in question-NOT just the first contract.

1. **Section 6.3** If a current member does not sign their contract by the Phoenix deadline, the member will be "bumped" behind those current members that do sign by the deadline, regardless of accumulated points. A member that misses a deadline will be at the bottom of the seniority list for that particular contract period only. Seniority will be re-tabulated at the next contract and members will be readjusted.
2. If a member misses the signing deadline, they will keep their seniority points and re-enter seniority list with their accumulated points when they re-sign. However, rooms cannot be reassigned after the room-pick party. A member cannot pick a room without having already signed a Phoenix contract for the upcoming contract period. Seniority points should be re-tabulated after each section of the Phoenix calendar year

1. **Section 6.4** Fall seniority will be tabulated by April 1st. After this day, the ORDER of the seniority list for Fall may not change. The list may only change in number due to members releasing from contract. Remaining members will then be bumped ahead accordingly. Not even a past member with accumulated points may disrupt this order after April 1st.
1. **Section 6.5** Fall room picks for returning members will be done before May 1st. Once room picks are done NO ONE can change rooms, anyone that signs after this point will have to fill in an empty spot. People with more seniority may NOT move into a single if it becomes available after room picks are done.
2. Fall room picks for new members will be done before interim week. Once room picks are done, no one can change rooms. If a member with more seniority points signs after this point, they will have to take an open room.
1. **Section 6.6** New room picks will NOT be done for changes in membership in January. Any room adjusts due new room availability will be facilitated by the Membership Coordinator and be in accordance with seniority.
1. **Section 6.7** Once a member has moved into a room, they cannot be “bumped” out of that room unless that member does not sign his/her contract by the Phoenix deadline of the contract in question. Due to more room availability in the summer, members may move around to newly assigned rooms. However, summer members must switch rooms in the fall according to previously determined fall room picks.
1. **Section 6.8** A member receiving a NASCO internship or participating in AMERICORPS during the summer semester or a member who is chosen to be a model co-oper in an SHC house will be able to use this as a Phoenix House living credit because cooperation among cooperatives is encouraged. Credits are not awarded for “just being a member” of another co-op.
1. **Section 6.9** If two persons lay claim to a double they previously shared, the person with higher seniority remains in the double.
1. **Section 6.10** A member in a double will be given every opportunity to choose their roommate without regards to seniority.
1. **Section 6.11** Parking assignments will be made during the first week of the year. They will be based on house seniority. Members should decide what type of parking system works for the house and vote on this system.
1. **Section 6.12** A member may claim “squatters rights” on the room they are currently residing in, even if a member with higher seniority wants to claim their room. A member must have at least 4 Seniority points to claim squatters rights.

ARTICLE VII: PAINT/DECORATION POLICY
